

*Pick up a bell and let it ring*

*Join the Bell Choir, and an Angel gets her wings  
With Friendship, fellowship, and praying while we play  
We fill the church with Jesus' love on His holy day  
Your hands will be needed as we begin this Fall  
Just open up your heart and listen to His call  
Counting to four and practice time is all that you will need  
For us to come together as a group and to succeed  
St. James and St. Mary's needs you to fill our mission  
You have no need to worry, because there's no audition!*

**Stay tuned, watch the bulletin, and listen for your call.
